FOOD BOOTH AND SPECIAL FUNCTION REQUIREMENTS

I. FOOD PROTECTION

- A. All potentially hazardous foods must meet temperature requirements during storage, preparation and display.
- B. All foods must be kept covered when not being served. This also includes all drink vendors.
- C. Cakes, cookies, sweet bread, etc., must be individually wrapped or must be served with its own utensil.
- D. All necessary equipment must be provided to maintain product temperatures.
- E. All food products must be stored at least six (6) inches off the ground.
- F. All ice must come from an approved source. Must be stored in a clean container and an ice scoop must be provided for dispensing and not left in the ice.
- G. Ice used to maintain product temperature cannot be used for consumption.
- H. Only single service articles will be allowed. (ie. plastic, spoons or forks)
- I. Potable water must be provided for cleaning of utensils and hand washing.
- J. Spray bottle with sanitizing solution should be provided for sanitizing the counter tops and non food contact surfaces.
- K. A thermometer must be provided to check potentially hazardous food temperatures while on storage, preparation or display.
- L. Food items from an approved source only, or prepared on site.

II. PERSONAL HYGIENE

- A. Hair restraints must be used, i.e.: caps, hairnets, scarves, etc.
- B. Person handling the money cannot dispense food unless he/she washes hands before handling the food.
- C. Avoid wearing jewelry and keep all fingernails clean and unpainted.
- D. Food handlers are recommended to wear disposable gloves.

This information is intended as a general guide for citizens who operate a temporary food booth or special functions including fundraisers, barbecues, etc. Please contact the Health Department at 761-5454 ext. 3226 or (956) 433-1089 or visit the office at 4601 Padre Blvd. for further info.

NOTE: FOOD PREPARED AT HOME IS STRICTLY PROHIBITED FOR DISTRIBUTION TO THE PUBLIC.
